**MINUTE ORDER**

Dated: September 7, 2011

PRESENT: THE HONORABLE LAWRENCE R. LEAVITT, United States Magistrate Judge

JUDICIAL ASSISTANT: Carol DePino RECORDER: None

COUNSEL FOR PLAINTIFF(S): None Appearing

COUNSEL FOR DEFENDANT(S): None Appearing

This case comes before the court on defendants' Motion to Extend Discovery and to Continue the Trial (#52). The court has considered the motion and plaintiff's response (#54). Good cause appearing,

IT IS ORDERED that to the extent defendants' Motion to Extend Discovery and to Continue the Trial (#52) seeks to extend discovery, it is granted as follows: discovery shall be extended to December 14, 2011; dispositive motions shall be filed by January 13, 2012; the Joint Pretrial Order shall be filed by February 13, 2012.

Because no trial date has yet been set,

IT IS FURTHER ORDERED that to the extent the motion (#52) seeks to continue the "existing trial date," it is denied.

Also before the court is defendants' Motion to Compel (#50). Plaintiff has not responded to the motion. His failure to do so constitutes his consent to the granting of the motion. LR 7-2(d). Accordingly, and for good cause otherwise shown,

IT IS ORDERED that defendants' Motion to Compel (#50) is granted. Plaintiff shall forthwith sign the HIPAA authorization form before a licensed notary public and provide the signed and notarized HIPAA authorization form to defendants not later than September 19, 2011..
